## FIND YOUR PEOPLE

Each year thousands graduate from the many colleges and trade programs that surround Floyd County.

Talent here includes:

- 7,000+ STEM-H annual college graduates
- 25+ new welders certified annually through Floyd County High School
- 592 students in the Career & Technical Program at FCHS

The new Collaboration and Career Development Center works closely with businesses and local colleges and provides additional space for career and technical training for high schoolers and adults in agriculture, automotive, building trades, business and information technology, culinary arts, drawing and design, fine arts, health/medicine, robotics, and more.

Floyd County Economic Development can help you find the skilled talent to grow your business here and can even help you create customized training to help support your business growth.

**“PEOPLE IN FLOYD ARE LOYAL AND SUPPORTIVE OF LOCAL BUSINESSES.”**
